CHINA BROUGHT MORE MAIL TODAY

ARRIVED IN FORENOON FROM
SAN FRANCISCO, WITH A FEW
PASSENGERS FOR HONOLULU.

The S. S. China arrived today from
San Francisco with mail up to October
20. She experienced fairly good weath-
er during the trip, with a strong
wind behind her most of the way. She
met heavy swells coming down. The
vessel has a large cargo of freight for
through ports but brought nothing for
this place.

She has a number of through passen-
gers and brought only a dozen pas-
sengers for this place. Among those
who came to Honolulu were P. C. Jones
Rev., W. D. Westervelt and Rev. H.
Bingham.

As through passengers there are
aboard the vessel, Prince Aziz Hassan
and wife. Prince Aziz is a cousin of
the Sultan of Turkey and has been in
America studying the irrigation sys-
tem in Japan. He is going to Japan.

Commander N. Sargent is going to
take command of the cruiser Baltimore
of the Asiatic fleet.

Dr. H. T. Percy is a naval medical
inspector, who is going out to take
charge of the naval hospital at Yoko-
hama. He is accompanied by his
wife.

A large number of missionaries are
aboard the vessel going to Asiatic
mission fields.

The China was delayed nearly an
hour docking at the Channel wharf
this morning. There was a strong
breeze blowing off shore and the ves-
sel found it hard work getting along-
side. She will sail at 10 o'clock to-
morrow morning for the Orient. She
does not go to Manila this trip.

LAUKEA'S VISIT TO THE SETTLEMENT

VISITED SETTLEMENT THURSDAY
AND WAS RECEIVED WITH
ENTHUSIASM.

C. P. Laukea Democratic nominee for
Congress, returned Saturday by the
steamer Kinan from a three weeks ab-
sence on the islands of Maui and Mo-
loka. He declares himself satisfied
with the prospects, especially on the
island of Molokai.

"I found," said Colonel Laukea "that
both the Republicans and Home Rulers
on Maui had a much better organiza-
tion than we had, and in consequence,
the work was not so easy as it would
otherwise have been. The fusion
movement on that island between the
Democratic and Home Rule parties has
made the situation quite difficult so far
as the delegates are concerned. We ef-
fected organization of precinct clubs
about the island. I am confident that
we will be able to split the vote on
Maui and get at least a third of it."

"The situation on the island of Mo-
loka is especially hopeful. I am satis-
fied that we will carry that island. I
went to the Settlement day before
yesterday going overland by way of
the Pail. I spoke from the platform in
the regular enclosure. The meeting
was naturally attended by practically
all of the people at the settlement.
They showed much interest and en-
thusiasm and I believe that we will
carry the majority of those voters."

"On Monday I will make a tour of
the island of Oahu, finishing in time to
leave on Thursday for a trip to the
wardward side of Kauai. I did not
visit that section of the island on my
last trip. I will return to Honolulu
on Sunday morning."

"One thing which caused much favor-
able sentiment towards the Democratic
party was the fact of our success in
securing from the court the decision
permitting us to go to the settlement
and address the people. The people
there seemed to appreciate this fact and
it has helped to create favorable senti-
ment for us."

"We heard of the sudden remove-
ment of Brown and Chillingworth from
the police department by the Governor.
The sentiment on the other islands
seemed to be much against that action
on the part of the Governor. The
people after reading the newspapers
and ascertaining the general facts and
conditions that led up to the sudden
change, seemed to be of the opinion
that the Governor had acted in too
hasty a manner and had not been
warranted in his course. The sentiment
appeared to be that the Governor was
acting along the lines of despotic con-
duct, as charged against him by the
Democrats."

THE RAIN INTERFERED.

HILLO, October 28.—Miss D. Summer
and Miss Venable promoted what prom-
ised to be a very successful bathing
and boating party Wednesday after-
noon and evening. Fully two dozen
ladies and gentlemen were in atten-
dance and after a refreshing dip swim-
mer was had "olien" fashion. The only
feature to mar the entire success of
the affair was the failure of the moon
to shine, which rather dispelled the
romance of the occasion. Among those
present were: Mesdames J. T. Lewis,
Rosenberg, Gere, Misses Sumner, Ven-
able, Scott, Thayer, Gertrude Thayer,
Pomeroy, Harriet Hapai, Messrs. G. N.
Day, T. C. Ridgway, G. H. Gere, H. L.
Ross, J. U. Smith, J. T. Lewis, Dr. M.
Wachs, S. Grace, Rohrig and Rice.

Governor Carter last week, as follows:
E. E. Richards, chairman; L. Turner,
Dr. J. Holland and Moheau Admiral
George C. Beckley. The first act of
the newly appointed Park Board was
to designate the location of the pro-
posed Moheau Hall, which they did
after careful consideration Friday af-
ternoon. The pavilion will be con-
structed nearly in the center of the
Park, allowing ample room for base-
ball and children's play ground on
either side. Contractor Erickson has
already commenced preparations for
immediate work on the building and
has broken ground for the masonry
work.

OOKALA BEGINS SUIT.

The Ookala Sugar Plantation Co., has
entered suit for foreclosure of Mort-
gage against T. W. Rawlins. The
property in question is at Kapalama
Oahu, consisting of 2 acres 179 apana
and 27 kapua and an undivided half of
69 acres on Kealahaka, Hamakua, Ha-
waii. This was mortgaged by Rawlins
to W. G. Irwin & Co., for \$2900 in
February 1898 though only \$2000 was
advanced. The mortgage was assign-
ed to the Ookala Sugar Plantation
Company by W. G. Irwin & Co., in Au-
gust 1898. The plaintiff sets out that
the mortgagor is in default in both
interest and payment of capital and
foreclosure is prayed.

DEPART BY ENTERPRISE.

HILLO, October 29.—Owing to the dis-
patch in unloading the cargo of the
S. S. Enterprise, Captain Youngren
was able to get away a day before he
expected. Promptly at 5 o'clock Sat-
urday afternoon the vessel heaved an-
chor, with a small cabin list and a
cargo of fruits and merchandise. The
passengers were E. A. Von Arnswaldt,
Mrs. A. R. Horner and Howard Horner
and 62 Japanese steerage.
